

# Annual Activity Report

The academic year 2025–26 was marked by dynamic participation, skill enhancement initiatives, and academic excellence within the Department of Information Technology and Computer Science. The department organized various academic, technical, and co-curricular activities aimed at the holistic development of students.

## 1. Students' Orientation Program – June 2025

The academic year commenced with a Students' Orientation Program in June 2025. The session aimed to familiarise first-year students with departmental objectives, curriculum structure, academic expectations, and available opportunities. Faculty members guided students about career pathways in IT and Computer Science, setting a positive tone for the academic journey ahead.

## 2. Reel Making Competition – June 2025

To encourage creativity and digital storytelling skills, a Reel Making Competition was organised in June 2025. Students actively participated by creating innovative and informative reels related to technology and campus life. The activity enhanced their content creation, editing, and presentation skills.

### REEL MAKING COMPETITION

• A Reel Making Competition titled “Brand My Vikas College: Reels that Reach” was organized, encouraging students to showcase their creativity and promote the college through engaging short videos.

Vidya Vikas Education Society's  
Vikas College of Arts, Science & Commerce  
Department of Information Technology & Computer Science  
In Association with  
Cultural Committee

3. Duration : 30 to 60 Seconds.  
4. Participants individual / group of 2.  
5. Deadline : 25th June 2025 , 10pm.

Dr. Seema Rahul Head, Dept. of I.T. | Dr. Vikas P. Raut Head, Dept. of C.S. | Dr. Shubhada Deshpande I/C Principal | Dr. Vinay P. Raut Secretary, Vidya Vikas Edu. Society

### 3. Workshop on Project Guidance & Internship Opportunities in Emerging Technologies – 30th June 2025

A specialised workshop was conducted on 30th June 2025 in association with ExcelR for TYIT and TYCS students.

The workshop focused on:

- Project development in emerging technologies
- Industry-relevant project ideas
- Internship opportunities
- Career guidance in advanced domains

Students gained valuable insights into cutting-edge technologies and pathways to secure industry internships, strengthening their practical exposure.

#### 4. Degree Certificate Distribution Ceremony – 28th June 2025

The Convocation Ceremony was held on 28th June 2025 to celebrate the academic achievements of graduating students.

The ceremony was graced by:

- Mr. Ketan Thorat (BSc IT Alumnus) – Chief Guest
- Mrs. Shaila Thorat – Guest of Honor

The event recognized the hard work and dedication of students and marked an important milestone in their academic journey.
