

NSS Volunteers Honoured for Contribution in Lok Sabha Election Process

The Electoral Club and NSS unit jointly

organize this function. The appreciation certificate given to NSS (National Service Scheme) volunteers by the 156, Vikhroli Election Office is likely a formal acknowledgment of their valuable contributions during the election process of Loksabha. These volunteers are involved in a variety of essential tasks such as promoting voter awareness, assisting in polling stations, ensuring smooth election operations, or supporting election-related activities.

The certificate serves as recognition for their efforts, highlighting the importance of their role in promoting civic engagement and ensuring the democratic process runs smoothly. It is also a way to thank and encourage continued volunteerism in the community.

Shri. Ranjeetsingh Rajput, Zonal Officer, 156, Vikhroli Assembly Constituency appreciate the efforts of NSS volunteers.
