Voting Awareness Campaign

On Saturday, November 16, 2024, the NSS unit and Electoral Club of Vikas Arts, Science, and Commerce College organize a "Voting Awareness Campaign" to raise awareness about voting among students and local residents. In anticipation of the Maharashtra State Election, the NSS unit is actively organizing a Voting Awareness Campaign to raise awareness about voting and taking oaths as special initiatives. Additionally, it coordinated the Loksabha Election awareness campaign during the Loksabha Election in May 2024. As part of their social responsibility, the unit's students assist at the polling station in a variety of ways. During a public awareness rally in the Kannamwar Nagar region, students display ply cards with the slogans "Voting for nation building," "Vote is My Right," "Your Voice, Your Vote," and others. Students also used a variety of slogans to appeal to the general public and encourage widespread voting. Election Commission representatives from 156 Vikhroli assembly constituencies also took part in this campaign. 63 NSS unit volunteers participated in this event. Dr. Vinay P. Raut, the institution's secretary, Principal Dr. R.K. Patra, and Prof. Vinayak V. Muley, the NSS Unit Program Officer encourage the students for organizing such Social event.
