

Seminar on "HOW TO PREPARE AN ACADEMIC PROJECT"

Vikas College of Arts, Science & Commerce, through its Internal Quality Assurance Cell (IQAC) and Research Development Cell, jointly organized a seminar on "*How to Prepare an Academic Project*" on 13th January 2025. The programme was designed to provide students with practical guidance on preparing well-structured and comprehensive academic projects.

The seminar commenced with a welcome address by Dr. Shubhada Deshpande, who highlighted the significance of academic projects in developing research aptitude and analytical skills among students. The session was conducted by Dr. Ranjankumar Patra, Principal of the college, who shared his extensive academic and research experience with the participants.

In his insightful presentation, Dr. Patra explained the essential components of an academic project. He emphasized the importance of selecting a relevant and meaningful topic, conducting systematic and in-depth research, and presenting findings in a clear, concise, and organized manner. He also elaborated on the significance of literature review, proper data analysis, and logical interpretation in enhancing the quality of research work. The session was interactive, with students enthusiastically participating and seeking clarification on various aspects of project preparation.

Students of TYBMS, TYBAF, and M.Com attended the seminar and actively engaged in the discussion. The programme concluded with a vote of thanks proposed by Prof. C. Wins, expressing gratitude to the resource person and organizers for their efforts.

Overall, the seminar proved to be highly beneficial and successful. It reinforced the importance of preparing structured and research-oriented academic projects and encouraged students to enhance their research and presentation skills through such academic initiatives.
