The outbreak of Corona Virus Disease (COVID-19) declared as a Public Health Emergency of International Concern (PHEIC) in the initial months of 2020 by the World Health organization. The protection of people especially students is of utmost importance. The precautions were necessary to prevent the potential spread of COVID-19. Having information and facts about COVID-19 will help to diminish students' and others' fears and anxieties around the disease. Hence considering this department organized one Intracollegiate Level Webinar on "Spread and Advanced Diagnostics of COVID-19". The Resource Person was Dr. Tareeka Sonawane, Faculty, Amity Institute of Biotechnology, Amity University, Mumbai. The Resource Person provided key information about how it spreads and various advanced Detection techniques available through her very informative presentation. This Webinar was organized on Sunday 10<sup>th</sup> May 2020. Around 65 Students from various streams and teaching and non-teaching staff of our college attended the webinar.

Mumbai City is replete with a unique blend of biodiversity. From a forest ruled by leopards in the heart of the city to beaches full of bizarre shore wildlife, from wetlands dotted pink with flamingos to mangroves splashing red with fiddler crabs. Students should be aware of and should understand the significance of this rich biodiversity in Mumbai. Biotechnology Department in association with Department of Botany organize webinar on, "The Astonishing Biodiversity of Mumbai" on 23<sup>rd</sup> May 2020. Dr. Pramod Salaskar, Director, Dharitree Environmental Research Centre, Mumbai with his colleague Mr. Chaitanya Keer and Ms. Rupali Patil explored this rich biodiversity to the students using audio visual aid.

**4 days Theatre Workshop from 6<sup>th</sup> Aug to 10<sup>th</sup> Aug 2018**

**First Day of Theatre workshop (Mon 6<sup>th</sup> Aug 2018)**

Vikas Raut sir inaugurated this mega-event of hardcore theatrical skill. In the very first day, Actor Ram Daund spoke on the various shades of acting for stage. He performed his own acting skills also. He asked a 10 minutes script to be written the next day so that practically an acting and direction workshop could take place effectively.

**Second Day of Theatre workshop (Tue 7<sup>th</sup> Aug 2018)**

Sub.: Direction, Resource Person: Ram Daund (Actor-Director)

In the second day of this workshop, he informed the various directorial treatments given by eminent directors for theatre. Movie adaptations from novels which are epic in its nature have to be observed and digested by a good director. However, he listened the script on Love Jihad written by a keen participant Dashankit Londhe. Then group performed a skit on that story. Ram Daund discussed the script and performance with collection of opinions from audience. He guided the performers from improvisation point of view. He himself took some more efforts to strengthen the characters, movements, dialogue delivery on stage.

However, he also performed a piece from his award-winning play. To make this workshop a grand success, Prof. Vikas Raut, Prof. Pramod Gaikwad, Prof. Anil Luthra, Prof. Vency Nadar, Industry Partner Swapnil Nalawade and student volunteers took maximum efforts.

**Third Day of Theatre Workshop (Wed 8<sup>th</sup> Aug 2018)**

Session 1 -Sub.: Script Writing, Resource Person :Rajdutt Tambe (Script Writer-Actor-Director)

Session 2 - Sub.: Background Music Resource Person: Niharika Tambe (Music Director-Actor)

Vidya Vikas Education Society's  
**VIKAS COLLEGE OF ARTS, SCIENCE & COMMERCE**

**Affiliated to University of Mumbai**

**ISO 9001:2015 CERTIFIED**

In first session, Rajdutt Tambe gave a brief idea about characterisation, story development process, points of twists and impact at the end. He also took practical exercise of script writing by giving a starting line so that students' participants can visualise with their own imagination and creative writing skills.

In second session, Niharika Tambe started with a vocal song and described the sound ambience, musical instrumentation and creation of its moods. She also added the sound effects to the script based on Love Jihad performed in earlier day.

Both resource persons performed a piece from their award-winning play. To make this workshop a grand success, Prof. Vikas Raut, Prof. Pramod Gaikwad, Prof. Anil Luthra, Prof. Vency Nadar, Industry Partner Swapnil Nalawade and student volunteers took maximum efforts.

**Forth and last Day of Theatre Workshop (Fri 10<sup>th</sup> Aug 2018)**

Session 1 -Sub.: Set design or art direction      Resource Person: Sachin Gotad  
(Art Director)

Session 2 - Sub.: Lights Resource Person: Shyam Chavan (Lights Coordinator)

In first session, Sachin Gotad showed the direct impact of sets on stage, impact on character, story narration and on audience. He guided the students' participants about interpreting symbolism of any property used on set that creates environment as per the need of the script. On projector, he also showed the different experiments in small or big sets like rotational sets, movable sets, creative middle exit with hidden manhole etc.

In second session, Shyam Chavan focused on lighting effects, shadow effects; colour effects along with all types of set ups like in baby lights, disco lights and focus lights. A Lights man has to understand the stage, characters, emotions, pace and climax of the drama with live performance.

At the end, Amruta Bandrekar was felicitated by a gift of book due to her best story writing in writing workshop. Participation certificates were distributed to each participants. Vikas Raut wined the 5 days workshop by his presidential

speech. Pramod Gaikwad conferred vote of thanks of all resource persons, especially Prasad Panchal and his team of SwarKavya Productions for organising eminent expertise.

Vote of thanks was also given to all participants as well as college managements and technical staff. At the end, few students' participants opined their experience in this workshop. Supportive teaching staff of B.Voc dept. Prof. Anil Luthra, Prof. Vency Nadar, Industry Partner Swapnil Nalawade and student volunteers took maximum efforts to make this workshop a great learning platform for the participants

**TECHNOSERVE**  
BUSINESS SOLUTIONS TO POVERTY

This document constitutes a Memorandum of Understanding (MoU) between Ashwattha Advisors Private Limited (AAPL) and Vikas College of Arts Science and Commerce

**Background**

Ashwattha Advisors Private Limited (AAPL), which is a wholly-owned subsidiary of TechnoServe Inc. is conducting a "Youth Employability Program" for enhancement of employability and workplace skills for deserving youth.

1. In this connection, AAPL intends to be associated and work closely with **Vikas College of Arts Science and Commerce** to conduct employability training and career counseling sessions for the final year college students. This will include activities through the year, till students are placed 10-12 months after their final year examinations. Features of the program are as follows:
2. 100-hour program including Personal effectiveness (goal setting, interpersonal relationships), Personal Finance, Professional effectiveness (how to choose right career option, how to apply for job, tools-CVs, cover letter- etc.), Business communication (effective communication with co-workers and customers), Career Readiness (orienting students to jobs matching their skill sets and exposure to a career path) and Work Readiness (Professionalism, Work Ethics, Email Etiquettes, Workplace dynamics - etc)
3. 60 hours of training will be delivered in class and 40 hours of mandatory training will be available to students on TechnoServe's proprietary online learning platform. The program also includes individual student counselling during the program, post training, pre-placement and also post placements.
4. There is no cost for students to attend above mentioned training
5. Each training batch size will be a maximum of 45 students. Sessions of duration 2 hours each to be conducted 5 days/week. Trainings to be conducted for 2 or more batches in one day through one TechnoServe trainer
6. Counselling support is available on training days for providing career guidance to students who are enrolled in this program.
7. Students will be provided a certificate on successful completion of course with a minimum attendance criteria of 90%
8. Students will be further supported in job linkages and placements from the time of training completion till they are placed i.e. 6-10 months after their training is complete.
9. College is expected to support the successful training and placements of all students, should they take up this service with TechnoServe.

**For this purpose, AAPL requires support of the college in the following areas:**

1. Facilitating discussions and engagement with the 2018 current third year degree students and 2017 graduates where feasible. This involves the following:
  - a. Assistance in batch scheduling with ongoing final year classes.
  - b. Support in allocating batches (of 40-45 students approximately) per trainer for optimum utilization of resources and training effectiveness.
2. Infrastructure support for the following:
  - a. Training facility (a training room where 45 students could be trained). Training methodology requires some space in the middle of the room for conducting student activities.
  - b. Space for the career counsellor/ trainer who would be available in college on days of training.
  - c. Availability of classroom to conduct refresher sessions before the pre placement begins in the months of Dec-Feb
  - d. Projector and speakers on need basis which are required to conduct few video based sessions.
  - e. Require college support to conduct a Parent engagement session in the college premises.
  - f. Provide 100-200 students for training whom TechnoServe will screen.

BUSINESS SOLUTIONS TO POVERTY

Upon a request by AAPL for this support, **Vikas College of Arts Science and Commerce** has agreed to support and provide the appropriate assistance to AAPL, as mentioned below.

Based on the above, this MOU lays out immediate next steps to be taken by both parties.

**AAPL agrees to -**

1. Conduct Orientation sessions to make students are aware about the program and register their interest.
2. Engage with students and form batches based on selection criteria for conducting the training program.
3. Conduct the Employability Skills training program in College premises.
4. Provide career counselling support to students enrolled in this program.
5. Facilitate further linkages with vocational training partners and employers for interested students.
6. Bi weekly placement reports and monthly placement reports of students linked to job opportunities will be provided to the college once placement activities commence.
7. Helpline facility will be provided to the students to address their queries during training, post training and post placement.

**Vikas College of Arts Science and Commerce agrees to -**

1. Make classroom(s) available to train students in batches of 40-45, which should be ideal to cover 2 batches per day. If more students express interest for this period, we may create another batch after this batch. The classroom should be equipped with board and AV system when required.
2. Make table space available for career counseling.
3. Providing one contact point who could be approached for any support (student engagement) related to this program.
4. This MOU is neither a contract, nor is it legally binding in any way, nor does it commit any financial expenditure from or for either party.

TechnoServe: Business Solutions to Poverty

# TechnoServe India

## OUR HISTORY

American businessman Ed Bullard traveled to Ghana with his family in 1963 for a year of volunteer service. Ed was captivated by the spirit of the Ghanaian people, but appalled by the depth of poverty. In 1968, he launched TechnoServe with a vision to create a different kind of nonprofit, one that would connect poor people to information and markets.

## WHAT WE DO

TechnoServe is a leader in harnessing the power of the private sector to help people lift themselves out of poverty. A nonprofit organization operating in 29 countries with 50 years of proven results, we work with enterprising men and women in the developing world to build competitive farms, businesses and industries. Our key thematic focus areas are:

-  **AGRICULTURAL VALUE CHAINS**
-  **SKILLS DEVELOPMENT AND LIVELIHOODS**
-  **ENTREPRENUERSHIP**

-  **LOCAL ECONOMIC DEVELOPMENT**
-  **WATER AND NATURAL RESOURCE MANAGEMENT**
-  **WOMEN'S EMPOWERMENT**

## WHERE WE WORK

**29 countries across Asia, Africa and Latin America**

## OUR INDIA PRESENCE

## OUR INDIA IMPACT 2017

-  **23,000** direct beneficiaries reached across 8 states
-  **\$10 mn** incremental financial benefits as a result of our work
-  **\$2.3 mn** new finance mobilised by individuals and business supported by us

## OUR GLOBAL IMPACT IN 2017

-  **461,000** direct beneficiaries saw increased financial benefits
-  **\$189 mn** in increased revenue and wages of our beneficiaries
-  **\$28 mn** in private sector investment in farms and businesses

**PROPOSAL**

**SUBJECT: Building Youth Excellence through Employability Services and Technology Program at your College, 2018-19**

**TechnoServe**, through the **Building Youth Excellence through Employability Services and Technology Program (BEST)**, provides a transformative workforce readiness skills training for youth to make **better career choices** and **build a strong career path**. The program also provides placement support through corporate linkages with large and small firms. Our goal is to tackle the increasing need felt by fresh graduates - to sharpen and improve interview preparedness and make informed career choices after their graduation.

To empower fresh college graduates with the skills and attitude to enter competitive workforce, TechnoServe BEST program offers the following -

**Employability Training and Youth Empowerment (1.5 months)**

- **Personal and Professional Effectiveness** - bringing out the inner confidence, goals and passions of student participants, while introducing them to key concepts in goal setting, financial planning and interpersonal skill development.
- **Communication Readiness** - introducing students to the basics in professional communication, communication dos' and don'ts' as well as a conclusive guide to giving interviews and group discussion.

Vidya Vikas Education Society's  
**VIKAS COLLEGE OF ARTS, SCIENCE & COMMERCE**

**Affiliated to University of Mumbai**

**ISO 9001:2015 CERTIFIED**

- **Career Readiness** - explores career opportunities relevant to students from commerce background and gives them the realities of the job markets. It provides students with an in depth knowledge about different job domains as well as skill sets required to get the job, showcasing the career growth path for each role and domain.
- **Work Readiness** - focused on addressing the gap students' face while transitioning from campus to corporate as well as inculcating a sense of professionalism in them.
- **Career Counseling** - focused on guiding students both individually and in group settings towards career choices that will intersect between their aptitude and interest.
- **Online Learning Platform (OLP)** – focused on guiding students, reviewing the concepts they have learnt in training.
- **Employment Linkages** - we will work with your students to provide direct support for placement opportunities during and after the training program.
- **Helpline for placed students (1 year)** - telephonic counselling services and handling queries on placements and other concern areas for trained students of the program.
- **Alumni engagement** - engagement via social media and college meet ups for students trained by the program to share learnings with peers.

**Who can participate:**

We provide training ONLY to final year students or recent graduates awaiting results who are immediately looking for job opportunities. This program is targeted at career oriented students.

**Requirements from Partner College**

- Provide at least 200 students for the program to commence in your college. These students would further be screened by TechnoServe with the support of Professors and Coordinators prior to enrolment. (Ideally a student interested for placement after graduation)
- Students must be final year or recent graduates only with a strong inclination to starting a career.
- Provide classroom(s) in the college to train students in Multiple batches with the strength of 40-45 in each batch. The college will be assigned 1 trainer to conduct multiple batches.
- Facilitate logistics of the training in initial period, including attendance by students, timely fees collection, and signing of the parent consent forms.
- Make table space available to Trainer/Counselor for the purpose of career counseling and

operations in your college throughout the working day (9:30 to 5)

- Providing one contact point who could be approached for any support related to this program.
- Permit phone based communication via calls and WhatsApp with students during and after training, which can include a member of the faculty or department in concern
- Facilitate timely parental engagement of students, during and at the end of the training program.
- Facilitate students to participate in placement opportunities and Refresher sessions organised by Technoserve.
- Facilitate students to complete at least 90% attendance criteria in order to be awarded the TechnoServe certificate and be eligible for placements.
- Provide projector, speakers, white board etc. on need basis
- The commencement of the program will be on first come first serve basis.
- Once the orientation is done and batches are formed then the MOU can be signed between the College and Technoserve.

**Takeaway for Students and College:**

- Personally effective young professionals
- Relevant career knowledge and better decision making abilities
- Credit worthy Skill Training Certification from BEST, TechnoServe (International Brand Name)
- Assistance to face and crack the interviews
- Employment assistance through placement opportunities in various companies in Banking, Finance, Retail and Telecom sectors.
- A mentor to ensure the smooth journey from campus to corporate
- For your college more number of employed students with big corporates
- Well placed college alumni can help the future generation and reputation of the college
- Continuous assistance by Online Resource, post training and post placement counseling as well as student helpline service
- The placements will help the college with National Assessment and Accreditation Council (NAAC)

Through this proposal we wish to invite you to take part in this opportunity for your students. We would be happy to discuss pricing and logistics.

## MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING (the "MOU") is entered on 21/05/2020 between Nauashad Ali Sarovar Samvardhini (hereinafter called NASS) and Vikas College of Arts Science & Commerce (hereafter referred to as "Vikas College") whose address is Vikhroli East, Mumbai.

### BACKGROUND OF NAUASHAD ALI SAROVAR SAMVARDHINI (NASS) :

Nauashad Ali Sarovar Samvardhini (NASS) is a body constituted for the conservation of urban lakes in Mumbai based on the Sarovar Samvardhini concept. NASS initiated its field activities at Powai Lake since February 2008. It is registered as an NGO for promotion of the aims and objectives of Sarovar Samvardhini. A field station dedicated to the fond memory of Late DR M.S. Kodarkar, an International Expert on Lake Management and former Secretary, Indian Association of Aquatic Biologists (IAAB) was established on 8th September, 2012. Dr M.S. Kodarkar Field Station was inaugurated by Dr Walter Rast, Vice-President, ILEC, USA. Dr M.S. Kodarkar Field Station Laboratory was inaugurated on 5th June, 2016 by Former Chief Secretary, Government of Maharashtra, Shri Johnny Joseph. It is located on the Powai lake in the premises of MSAA. The field station provides facilities for field work to the students, researchers, NGO and citizens interested in the environmental issues of Powai lake apart from sharing literature on environmental aspects of lakes and their conservation. Museum on flora and fauna of Powai lake is proposed to be established in future.

### PURPOSE:

The Nauashad Ali Sarovar Samvardhini and Vikas College recognize the benefits to be derived from increased collaboration, cooperation and interaction for the purpose of promotion and understanding of high performance in awareness activities and organizing mass awareness / training programme for the local people surrounding the lakes about realisation of importance of the lakes / water bodies.

**Report of Spoken Tutorial courses, IIT Bombay**

The Spoken Tutorial project, a venture of the "Talk to a Teacher" initiative under the National Mission on Education through Information and Communication Technology, launched by the esteemed Ministry of Education (previously MHRD), Govt of India, is a beacon of hope for promoting IT literacy and enhancing the employment potential of learners in India, all while embracing the power of free and open source software (FOSS).

At the heart of the Spoken Tutorial project lies a noble goal - to promote IT literacy for education and uplift the employment prospects of learners in India, by harnessing the power of free and open source software (FOSS). With ICT being a key player in offering vast employment opportunities to students, the project strives to impart knowledge of essential ICT areas, such as software creation, electronic design automation (IC design), numerical computing, and modelling and simulation, among others.

Through their website, the project endeavours to equip millions across the country with the technical prowess and FOSS expertise that can unlock a world of opportunities, especially for those who may face barriers to software learning. With unwavering dedication and a passion for empowerment, the Spoken Tutorial project is a beacon of hope for the next generation of learners in India.

The Spoken Tutorial is a masterpiece of modern pedagogy, a captivating 10-minute audio-video tutorial that employs the revolutionary screen cast methodology. Unlike conventional video tutorials, the Spoken Tutorial focuses solely on the lesson at hand, without capturing the face of the instructor, thus creating an immersive and distraction-free learning experience for the students.

What sets the Spoken Tutorial apart from the rest is the fact that it offers dubbed versions of its spoken content in all Indian languages, thus enabling learners from all corners of the country to access it. With each tutorial dedicated to a specific topic, learners can navigate their learning journey with ease and convenience, and acquire skills at their own pace.

The Spoken Tutorial's versatility knows no bounds, for it can be accessed both online and offline, making it an invaluable resource for learners who lack Internet connectivity. By breaking down the barriers of learning and democratizing access to knowledge, the Spoken Tutorial has earned its place as a trailblazer in the realm of education.

In a stirring testament to its commitment to fostering academic excellence, the college has taken a bold step forward by signing a **Memorandum of Understanding (MOU) with Spoken Tutorial, IIT Bombay** - a revered institution renowned for its contributions to the field of education. As a result of this landmark partnership, the college has been able to offer a range of innovative courses, powered by the Spoken Tutorial's cutting-edge pedagogy and unwavering commitment to knowledge dissemination. The MOU is a symbol of the college's unwavering dedication to empowering its students with the tools and skills necessary to succeed in a rapidly evolving world.

## MEMORANDUM OF UNDERSTANDING

BETWEEN Aspire For Her Management And Consultancy Private Limited

And

Vikas College of Arts, Science & Commerce

This Memorandum of Understanding (hereinafter referred to as "MOU") is made and entered into by and between Aspire For Her Management And Consultancy Private Limited (hereafter referred to as "Aspire For Her"), whose address is Flat No.12, Vishwa Tara, Plot No. 310, 12th Road, Near Madhu Park, Khar West, Mumbai, 400052, and Vikas College of Arts, Science & Commerce (Hereafter referred to as "Vikas College") whose address is Kannamwar Nagar-2, Vikhroli (East), Mumbai-400083.

**Purpose:** The purpose of this MOU is to establish the terms and conditions under which the program will meet and function. This includes the deliverables from Aspire For Her's side and Vikas College side.

Vikas College is informed that there is no cost payable to Aspire For Her for this program.

2. **Term of MOU:** This MOU is effective from 16<sup>th</sup> March, 2022 till 15<sup>th</sup> March, 2023.
3. **Responsibilities of Aspire For Her:**

As per the understanding between Aspire For Her and Vikas College, the following are the deliverables from Aspire For Her's side:

- Aspire For Her to provide 1 webinar (online mode only) a year specific to the college. One immediately on sign up of the students and the other webinar in the latter half, both based on the speaker's availability. Besides this, the students of the said college are free to attend all the webinars arranged for the other colleges on our platform.
- Aspire For Her to provide 1:1 mentorship to girls of the college who wish to get connected to mentors for career advice on our platform absolutely free of charge.
- Students (boys and girls) can use all the resources on Aspire For Her platform absolutely free of charge. All our resources are available on online mode only.
- Students (boys and girls) can avail of all the job and internship opportunities that are advertised on our platform based on eligibility. It is however the final decision of the employer to decide about giving jobs/internships to the students.

4. **Responsibilities of Vikas College:**

As per the understanding, following are the deliverables from the side of Vikas College:

Flat No 12, Vishwa Tara, Plot no 310 12th Road, near Madhu Park,  
Khar West, Mumbai, Maharashtra 400052

**Statement of Work**

**Name of Project:** Google Career Certificate Scholarship Program

**Available online courses (100-200 hours approximately):**

1. Data Analytics
2. IT Support
3. IT Automation
4. UX Design
5. Project Management

**Project Description:** To help students finish the online courses followed by placements in IT companies

**Target Audience:** Undergraduate / Postgraduate, technical & non-technical stream students from Economically Weaker Sections of Society

**Time to complete the course:**

90-120 days from actual start of course

**Responsibilities of Aspire for Her:**

- Aspire For Her in collaboration with NASSCOM Foundation to provide assistance to students to enroll on Coursera platform and to access any of the 5 courses provided by Google as part of the career scholarship program. To enable this, Aspire For Her will conduct an orientation session with all the students of the college.
- Aspire For Her to inform students who show an interest to be part of this program through the enrolment form, of their designated URL to access the courses
- Aspire For Her to provide inputs for the College **Single Point of Contact** (hereafter referred to as "SPOC") about their role
- Aspire For Her to monitor the progress of the students via the Coursera platform, inform the SPOC of the College about updates, and encourage students for completion of course via appropriate forms of communication
- Google certificates will be provided through Coursera to students who successfully complete the course including all assignments and assessments
- Aspire For Her to provide add-on soft skill courses during the course of this program which will enhance the student's skills around communication, interview preparedness etc.

**Responsibilities of College:**

- This program is being launched for the cohort of students as agreed between the College and Aspire For Her

- The students of the College are required to login using the URL provided to them via Aspire For Her originating from Coursera
- College to designate SPOC from their side. The SPOC will closely monitor the progress of the student's course completion. They will discuss with the students who are lagging in course completion and motivate them to get back on track with regards to completing the course on time. In case a student does not show continuous progress, Aspire For Her will request the SPOC to let the student know that he/she will be taken off from the program (Recommendation: SPOC can nominate lecturer's or students as Point of Contact [POC], who will be reporting to the SPOC)
- The students who are eligible for this program are those who belong to EWS (Economically Weaker Sections). Students who have a physical disability, identify themselves as part of the LGBTQ+ community or have gone through a financial distress due to the COVID pandemic are also eligible for this program. The students have to self-declare that they satisfy one of these criteria. Aspire For Her will share details of each of the student's declarations for the college to verify. The college will send their approval about the student's declaration on the college letterhead which will serve as a sign off from the college. Only after the college verifies with this signoff that the declaration is true, will Aspire For Her send the credentials for pursuing the course to the student. In addition, for those who belong to EWS, it is advisable for the college to encourage them to get a EWS certificate during the course of the program
- SPOC will provide coordination, communication, dissemination of information, etc. to students and other stakeholders of the College during the program.
- Since the courses are long courses (anywhere between 100 – 200 hours) and the students need to complete it within 3 – 4 months, Aspire For Her would expect a fast turnaround time from the college for any verification, monitoring and communication with the students. Aspire For Her SPOC will communicate the timelines for every activity that is expected from the College SPOC
- College to ensure the participation of candidates for all interventions planned by Aspire For Her during the course of this program
- As part of the enrolment form for the Google Career Certificate Scholarship program, the students will also give their consent to become part of the Aspire For Her community
- While this program is available only for the specific sections of students (as mentioned above), all the other students are encouraged to become part of the Aspire For Her community. The college is requested to provide details of all the students in a predefined format to Aspire For Her after seeking an agreement from all the students. When colleges have a large number of students becoming part of the Aspire For Her community, Aspire For Her can consider providing additional value adds as part of this agreement to the college.

based on the MOU**

**Date: 30<sup>th</sup> May 2022 to 30<sup>th</sup> May 2023**

**Introduction:**

The Department of Information Technology & Computer Science at Vikas College of Arts, Science & Commerce successfully organized a series of 30-hour add-on online certification courses in collaboration with EXCELR. These courses were designed to provide students with additional knowledge and practical skills in various IT and data-related domains. The collaboration was facilitated through a Memorandum of Understanding (MOU) between the two entities.

- ExcelR's Every Day Learning (EDL) program is a 30-hour live virtual training program.
- The program is designed to provide participants with valuable knowledge and skills.
- The training program is offered free of cost due to the signed Memorandum of Understanding (MOU).
- The sessions are conducted on weekdays, providing flexibility for participants.
- The timing of the sessions is from 7.00 PM to 9.00 PM, allowing students to attend after their regular commitments.
- All courses have a minimum duration of 15 days.
- Participants will have the opportunity to engage in hands-on exercises and practical examples during the training program.

Vidya Vikas Education Society's  
**VIKAS COLLEGE OF ARTS, SCIENCE & COMMERCE**

**Conclusion:**

In conclusion, the collaboration between the Department of Information Technology & Computer Science at Vikas College of Arts, Science & Commerce and EXCEL R for the Every Day Learning (EDL) program has been highly successful. The program has provided students with valuable knowledge and practical skills in various IT and data-related domains. Here are the key points to summarize the report:

- The EDL program offered by ExcelR was a 30-hour add-on course series conducted in collaboration with Vikas College of Arts, Science & Commerce.
- The program aimed to equip students with additional knowledge and practical skills in IT and data-related domains.
- The courses covered a wide range of topics, including cloud fundamentals, R programming, Tableau, automation testing, DevOps, digital marketing, Python programming, SQL advanced Excel, PowerPoint, Word, full-stack development, and data analytics using Power BI and Tableau.
- Participants had the opportunity to engage in hands-on exercises and practical examples to reinforce their learning.
- The program was conducted virtually, with sessions held on weekdays from 7.00 PM to 9.00 PM, providing flexibility for participants.

- Upon successful completion of the training program, participants received a participation certificate from ExcelR, acknowledging their dedication and achievement.
- The program provided numerous benefits for students, including acquiring practical skills, enhancing employability, and expanding their career prospects in the IT industry.
- Participants gained a strong foundation in industry-relevant tools and technologies, and the hands-on experience and real-world case studies enriched their learning journey.
- The collaboration between Vikas College of Arts, Science & Commerce and ExcelR through the EDL program demonstrated a commitment to providing quality education and empowering students with the necessary skills to succeed in the IT industry.

Overall, the EDL program has been a valuable initiative that has provided students with additional learning opportunities and practical skills, aligning them with industry requirements and enhancing their career prospects. The collaboration between the educational institution and ExcelR has proven to be beneficial for all participants involved.

Through The Secretary, Vidya Vikas Education Society, Dr. Vinay P. Raut

Subject: Proposal for comprehensive cooperation on various academic and non-academic matters.

Dear Dr. Vinay Raut Sir and Respected Principal,

Thank you for your interaction with Dr. Milind Vinod this morning. As discussed, we would like to conduct a range of mutually beneficial activities as an integral part of NAAC. Such as:

1. **ECONOMICA event exhibition:** This is a very successful event, which we conducted, where the students explored various fundamental economics' concepts through 3D models prepared by them. I am sure that there is a lot that your teachers and students can take away from this exhibition as an innovative learning tool. We request you to kindly allocate us an appropriate space in your institute where the models can be displayed.
2. **Career Counselling:** Our experienced faculty will conduct a career counselling session for the graduating students of TY B. Com, BAF, BSc and BMS followed by practical hands-on session on cracking MahCET(Entrance test for admission in MMS degree program).
3. **Papers for forthcoming international conference:** We are happy to inform you that we are jointly organising an International Research Conference with Gurukul College of Commerce and would welcome research papers from your faculty members.
4. **Faculty Exchange Program:** We endeavour to organise guest lectures and conduct faculty exchange program whereby faculty of your and our institution will deliver guest lectures at each other's institutes
5. **Non- Academic Matters:** We wish to promote several non- academic activities such as cultural programs, Sports, industrial visits and like.

We request you to setup a meeting so that the range of matters as mentioned above can be discussed at length with a view to enter into a formal MoU. Looking forward to meeting you soon.

Thank You,

Sincerely,

**Report on Workspace Skills Training Programme**

The Internal Quality Assurance Cell, Skill Development Committee, Women Development Cell and the Dept of English of Vikas College of Arts, Science & Commerce, Vikhroli in association with American India Foundation, conducted a 5 days Employability Skills Building (Workspace Skills Training Programme) Training from 7<sup>th</sup> September, 2022 to 13<sup>th</sup> September, 2022 for the girl students of Third Year of all the programmes. The training programme was sponsored by Dell Technologies. Ms. Meera Kaliyaperumal conducted all the sessions for the girl students.

The objective was to supplement the theoretical knowledge obtained by the students as a part of their college curriculum with the necessary employability skills in order to help the girls in making themselves employable after completing the graduation. Soft skills, communication skills being an important requisite for a job, the resource person explained the need for the same at the beginning. Students were involved in some tasks oriented towards the development of their communication skills.

The sessions were interactive and activity based. The students were guided on how to prepare a good resume with all minute details and do's and don'ts. They were then assigned the home activity of preparing their own resume and mailing it to the resource person.

They were also oriented in terms of preparation for facing an interview which was followed by an activity of introducing oneself and creating a video of it. The application of the training sessions added to the effectiveness of the sessions.

They were also taught basic computer applications like how to use the softwares like Word and Excel. Apart from this, they were also guided on preparation of slides on Power Point Presentation with minute tips of do's and don'ts.

The students were also trained on office etiquettes, use of non-verbal cues like body language, personal grooming, dressing etc.

On the final day, all the 83 girl participants were awarded certificates from American India Foundation and Dell Technologies. They were also awarded certificates from NSDC. The Principal Dr. R.K. Patra appreciated the initiative by all the organizing committees and mentioned special gratitude towards American India Foundation, Dell Technologies and Ms. Meera Kaliyaperumal for their initiative and co-operation. Dr. S. K. Deshpande extended vote of thanks.

"Open Source Software" means any software that is licensed under any license listed or described at <http://www.opensource.org/docs/definition.php> or any license currently listed at <http://www.opensource.org/licenses>, Free Code as defined by the Free Software Foundation.

4.1 Except as provided herein, this MOU will not be construed to grant any license under any trade secret, patent, patent application, industrial design, trademark, copyright, mask work, confidential process, formula, plan, computer program, data or other valuable confidential information or know-how to either Party. Each Party will own and retain all of its right, title, and interest in and relating to its intellectual property rights in its Products and Services and Confidential Information, both currently used and that which may be developed and used in the future. For avoidance of doubt, all intellectual property rights in Infosys Springboard and Infosys Content will be retained by Infosys. Except otherwise provided in this MOU, Partner is not permitted to use the Infosys Springboard and Infosys Content.

4.2 Each party will have the non-transferable, non-exclusive, revocable license to use the other Party's logo(s), trade names(s) and trademarks and the names of its Products ("Marks") identified in Schedule D, all in unmodified form, solely for identification purposes in relation to the branding and marketing for the Services described in this MOU. All Marks must be reproduced on all copies of the Products and may not be altered or removed. The Party owning a Mark may modify, add or delete any such Marks upon sixty (60) days prior notice to the other Party. Each Party further agrees to ensure that all such use will comply with good trademark usage practices and the standards of display and trademark usage guidelines provided by the other Party and to take no action that would in any way infringe or interfere with the other Party's rights in its Marks. Each Party agrees to cooperate fully with the other Party in facilitating the other Party's monitoring and control of the nature and quality of the use of the other Party's Marks. Neither Party will have any right, title or interest in the Marks of the other Party, which will remain its sole and exclusive property, and each Party will retain all goodwill inured through the use of their respective Marks and, thus, agrees to assign to the other Party any rights that such Party may acquire in the applicable Marks by operation of law or otherwise. At no time during or after the term of this MOU will either Party challenge or assist others to challenge the other Party's Marks or the registration thereof or attempt to register, use or permit the use of any trademarks, marks or trade names confusingly similar to those of the other Party.

4.3 Infosys grants Partner a non-exclusive, limited, revocable, non-transferable, non-sublicensable license during the term to access and use Infosys Springboard and Infosys Content within the territory of India for educational and non-commercial purposes. Partner agrees not to distribute, transmit or publicly display any Infosys Content or any derivative work of Infosys Content to any third party unless otherwise agreed in this MOU. Partner agrees to retain all copyright or other notices fixed on any Infosys Content.

4.4 All Intellectual Property Rights in Partner Content will be retained by Partner. Partner represents and warrants that it has the necessary rights, licenses or consents to upload the Partner Content and to authorize end users of Infosys Springboard to access the Partner Content.

4.5 If Partner chooses to make the Partner Content available only to its authorized users, Partner grants Infosys a non-exclusive, worldwide, royalty free license during the term of the MOU to host and display the Partner Content to authorized users of Partner through Infosys Springboard. In the event Partner chooses to make the Partner Content available at all the users of Infosys Springboard, Partner grants Infosys a non-exclusive, worldwide, royalty free, sub-license, perpetual license to host, copy, store, transmit or publicly display the Partner Content.

4.6 Partner agrees that Infosys has the right to remove the Partner Content from Infosys Springboard in the event Infosys receives any written notice or grievance from any third-party

### Infosys Springboard Scope and Details of the Services

Infosys has launched Springboard initiative to accelerate progress on its ESG goal to expand digital re-skilling initiatives to 10 million plus people by 2025. As part of Infosys CSR, Infosys Springboard provides a curriculum-rich virtual platform that delivers corporate-grade learning experiences, on any device, with closer educator-learner collaboration for students from Class 6 to lifelong learners. This, alongside formal education, helps accelerate digital re-skilling for participating learners, ranging from school and college students to professionals and adults.

Infosys Springboard's holistic set of courses, powered by Infosys Wingspan and developed in collaboration with world-leading digital content providers, takes advantage of Infosys' 4 decades of rich experience in employee and broad-based student competency development. It is also fully aligned with India's National Education Policy 2020. The learning program is particularly well-suited to grow vocational skills in addition to soft skills. Master-classes, programming challenges, practice areas and playgrounds for experimentation make the training immersive for all. The assessment formats that follow are new-age ready with certification for learners who pass the virtual proctored examination. As of March 2023, nearly 53 lakhs learners and 2000+ education institutions, NGOs and support groups are already onboard Infosys Springboard.

Infosys Springboard empowers:

- Students to 'learn by doing' and develop holistically in preparation for emerging jobs and career opportunities
- Women with a focused learning micro site, specialized resources and expert mentors for holistic development as planned and scheduled events
- Working professionals with advanced digital skills to prepare them for new age and emerging roles of future.
- Teachers to better collaborate with learners on their skilling journey using the platform's engagement features
- NGOs to extend learning benefits more broadly, especially to the underserved sections of society

Infosys Springboard will further amplify ongoing programs like Infosys Campus Connect to deepen industry-academia relationships, Infosys Catch Them Young annual training program in Information Technology for high school students and Aspire and Achieve workshops for aspiring professionals. Infosys Springboard App is now available on both Play Store and App Store.

Following are some of the new learning initiatives and capabilities launched recently.

- Infosys CodersZen, for learning programming languages Java, Python, C#, JavaScript and more.
- Virtual / digital classroom capabilities which can be leveraged by the institutions to conduct their regular online classes.

Vidya Vikas Education Society's

**Affiliated to University of Mumbai**

**ISO 9001:2015 CERTIFIED**

- Video Proctored Exam / Assessments environments which can be used by institutions to conduct online test.

All of the above features including Telemetry, customized microsite, Virtual Digital Classrooms and Video proctored Exam environments are available for institutions to leverage.

College students have access to quality content in professional programming, Playgrounds for all emerging technologies, domain skills and project management skills from leading content providers in the world. They also have access to certification programs which will improve their employability.

The Parties will work together to develop a plan for performing the Services contemplated under this MOU. The plan may include, among other things, conducting joint branding and marketing calls, joint presentations, developing branding and development proposals, determining user interface strategy and user needs.

### Faculty Enablement Program

Human capital has been amplified through focus on Work, Workplace, and Workforce. Through Infosys Springboard, we attempt to share with you the Infosys way of building a Culture of Lifelong Learning over the years, our trials and experiments, our learning and progress. It covers Learning Experience, an introduction to Learning Platforms, and the way features work their magic along with advanced telemetry. Infosys has clarity of vision and strategy for future of learning and adoptions of technology in learning.

The next generation of learning will require entire ecosystems to come together – from governments and institutions to enterprises and technology partners to managers and employees. At Infosys, we are focused on bringing these moving parts together to truly impact the way we up-skill and learn. We are making the world future-ready, and the Infosys Springboard is a step in that direction.

At Infosys, we believe in lifelong learning for our employees, and competency development continues to be a key area of strategic focus for us. The formal Education and Training Division was set up more than three decades ago and has been at the forefront of driving employee learning and development programs using a combination of innovative technology, content, and deep expertise of our people.

Today with emerging technologies, new delivery models, changing talent demographics, geopolitical challenges, and now the COVID-19 situation and its aftermath are some of the forces disrupting and changing the talent needs of every industry. In this context, following are the core principles that have guided us in our talent transformation journey. We believe same thing is applicable for educational institutes at large

1. **Motivating to learn:** To be successful in driving this transformation, we had to ensure all barriers to learning are removed. This would ensure learners are able to access resources anytime, anywhere, and on any device – thereby taking complete control of how they want to manage their learning journey.
2. **Leveraging the Teacher-Student relationship:** For learning efforts to be effective, we saw a need for creating an active role for teachers in supporting and guiding their students in their learning journeys.
3. **Just-in-time Learning:** Trends indicated that people prefer to learn on the go, at their convenience, and just-in-time of the need. For this to happen, content had to be organized in micro-learning modules and thus meet the needs of different personas within the institution.
4. **Learning experience:** Most learners are used to digital experiences on platforms like Netflix, Amazon Prime shopping, YouTube, etc. Digital learning solutions that we set out to develop also had to be designed to provide such experiences.
5. **Ready for the future while delivering excellence today:** The Agile ways of working marked by shorter and continuous release cycles meant that there is a need to balance today's

# Vidya Vikas Education Society's VIKAS COLLEGE OF ARTS, SCIENCE & COMMERCE

ISO 9001:2015 CERTIFIED

challenges with tomorrow's opportunities. Learning programs and courses had to be designed to meet these needs.

Teachers and educators play a pivotal role in enabling and preparing the students for their career aspirations. Infosys Springboard will make this process efficient and intuitive. Professors and faculty members of Partner can make use of Infosys's expertise and Springboard platform as follows to amplify the impact:

- The faculty development program will consist of series of sessions on the following aspects
  - "Facilitate to Engage" course towards effective teaching techniques.
  - Instructional design and content creation.
  - Introduction and awareness to emerging and digital technologies
  - How to leverage online platform for effective learner engagement
  - Authoring courses and assessments on online platforms.
- The program will be delivered online virtually by Infosys experts.
- In addition, faculty can up-skill themselves and learn new skills through the courses available on Springboard platform.
- Faculty can conduct Virtual classes on the platform and conduct online assessments for their students.
- Faculty can use the courses available on springboard for including in the curriculum and as elective subjects.
- Faculty can create Microsites for their respective institutions and curate prescriptive content for their students.
- Faculty can create their own profile and learning reference materials and discussion forum through knowledge board feature.
