ABOUT THE PARENT BODY

With an objective of holding light to those in darkness and extending support to helpless and guiding those who have lost direction, our kind hearted, socially concerned and dedicated reformers laid down the foundation of Vidya Vikas Education Society in 1962, to impart education to the masses, especially the weaker and underprivileged sections of society. Late Dr. Datta Samant, renowned trade union leader and ex MP, Late Dr. W.S. Matkar, ex MLA, Maharashtra, and Shri P.M. Raut, recipient of the National Award for Teachers and present chairman of the institution, are the founder members of Vidya Vikas Education Society.

The institution could reach a remarkable milestone in the field of education in a very short span of time. Started with an initial strength of 260 students, it has now grown up both qualitatively and quantitatively into 22 educational units imparting knowledge to more than 15,000 students from KG to Ph. D. level.

ABOUT THE COLLEGE

The visionary members of Vidya Vikas Education Society dreamt to offer higher education to the working youth from poor and underprivileged classes residing in the suburbs of Mumbai from Ghatkopar to Mulund and the dream was materialized in the form of Vikas College of Arts, Science & Commerce in the year 1986 with 87 students in First Year B.Com class. The next decade witnessed another branch of knowledge, in the form of BA programme.

The college thus prospered into a multidisciplinary institution with more than 4000 students in the upcoming years. The college is affiliated to University of Mumbai and is approved under section 2(f) and 12(b) of the University Grants Commission (UGC) Act.

The college has been imparting quality education through various branches of science, technology, commerce and humanities. Along with undergraduate programmes, the college also offers post graduate programmes in Biotechnology, Chemistry, Information Technology and Commerce. Ph. D. centre in Commerce was one more milestone in the history of the college.

The college also offers vocational degree programmes in Medical Laboratory Technology and Media Production as a part of skill development initiative of National Skill Development Corporation.

The college is geared up to meet the challenges successfully by the new age technology, ever-expanding fields of knowledge, widening gap between theoretical knowledge and its application, and global exposure.

FOREWORD BY THE PRINCIPAL

It is with utmost pride and pleasure that I represent Vikas College of Arts, Science & Commerce, Vikhroli, Mumbai as the Principal. I am happy to share that the dream of visionary and socially oriented founders of Vidya Vikas Education Society, came into reality in the form of Vikas College of Arts, Science & Commerce in 1986 when the faculty of Commerce was started in one room as a night college to fulfill the motto 'Learning while Earning.'

With its mission to impart higher education to the masses, especially, the weaker and underprivileged sections of society, within a short span of time, that small initiative in the form of a Night Commerce College could reach a remarkable milestone in the field of education in the form of a multi- disciplinary postgraduate college and research centre. The college has been accredited by NAAC, Bangalore and was awarded A grade.

Considering the recommendations made by the peer team visiting the college during the second cycle of assessment, the objectives of the institution, the SWOC analysis, and the feedback received from the stakeholders, the college has prepared the perspective plan presenting its vision to upgrade the curricular, extra-curricular, administrative and infrastructural resources offered to the students.

The plan is prepared by the Internal Quality Assurance Cell (IQAC) of the college. The plan highlights the goals to be achieved in the next five academic years. It will be a collective responsibility of all the stakeholders to implement this plan successfully under the guidance of UGC, Govt. of Maharashtra, University of Mumbai and our parent body, Vidya Vikas Education Society.

I am grateful to the management of our institution for having assigned the role of the Principal to me and thus providing with the opportunity to contribute to the social empowerment. I am equally thankful to all the stakeholders for their valuable feedback regarding the required enhancement in the functioning of the institution.

On an optimistic note, I present this perspective plan as a roadmap which our institution will happily follow in the coming five years and will contribute its best to be the centre of excellence in the field of higher education keeping in mind the institutional goal of devotion to mass education.

SWOC ANALYSIS

Strengths

- An opportunity for students to earn while learning in a night college
- Founders of the institution recipients of Presidential award for teachers
- 13 self Financed UG and PG programmes in addition to the conventional programmers
- Vocational programmes initially financed by UGC National Skill Development Council initiative, are now financed by the management of the institution
- Ph.D. research Centre
- Collaborations with NGOs, Corporation and other institution for experiential learning placement, student- teacher exchange etc., Add-On Courses
- Lead College status of University of Mumbai.
- Clean and Well-maintained Campus with greenery
- 3 adjacent play grounds
- Students are admitted irrespective of academic merit, i.e., those fulfilling minimum passing criterion are given admission due to their poor financial background.

Weaknesses

- Affiliation to the University doesn't allow flexibility in syllabus of courses / programmes.
- Maximum programmes on self financed basis

Opportunities

- E- Content development by the Dept. of Information Technology
- Obtaining Autonomy
- To introduce new skill based programmes

Challenges

- Financial Self-Sufficiency
- Ever demanding employability skills and placement of students
- Keeping pace with ever-changing, technology- driven global scenario demanding teachers and students both to prove their sustainability
- Retaining talented faculties
