Vidya Vikas Education Society's

Vikas College Of Arts Science & Commerce

Report on Addon courses at Vikas College of Arts, Science & Commerce in Collaboration with Spoken Tutorial ,IIT Bombayfor the Academic Year 2019-2020

Vikas College of Arts, Science & Commerce has entered into a significant partnership with **The Spoken Tutorial**, a project spearheaded by **the Indian Institute of Technology (IIT) Bombay**. This collaboration is part of an MoU signed between the college and The Spoken Tutorial to enhance IT literacy among students.

About The Spoken Tutorial

The Spoken Tutorial is a vital component of the **"Talk to a Teacher"** initiative under the **National Mission on Education through Information and Communication Technology (NMEICT).** This initiative, launched by the Ministry of Education (formerly known as the Ministry of Human Resource Development, MHRD), Government of India, aims to promote widespread access to information technology education, empowering students with necessary skills in Free and Open Source Software (FOSS). The platform provides opportunities for learners across India to boost their employment potential by mastering various IT-related skills without any cost.

Key Features of The Spoken Tutorial Program

1.Free Access to Courses:
The platform offers a range of courses that are freely available to students. Through this initiative, students of Vikas College can register for various IT courses, making quality education accessible to all.

2. Convenience and Flexibility:
  - Courses are delivered through pre-recorded online video tutorials.

- Students can access the content at their convenience, anytime and from anywhere, making it ideal for self-paced learning.

- The recorded format allows learners to revisit lessons, helping them gain a better understanding of the material.

3. Certification Process:

- After registering through the college, students receive login credentials via email. These credentials allow them to access the platform and begin their courses.

- Upon completing a course, students are eligible for two types of certificates:

- Participation Certificate: Awarded without the need for any examination, this certificate is a mark of attendance and engagement.

- **Completion Certificate:** This certificate is awarded after passing an online exam, which is conducted at the college. A minimum score of 40% is required to obtain this certificate.

Name of the Program: CPP
Date of Exam conducted: 18/12/2019,22/10/19,28/10/19.
This program has a duration of 15 days. This program was conducted 3 times.
Curriculum
- Classes and Objects in C++
- Constructor and Destructor
- static members
- Inheritance
- More on Inheritance
- Function overloading -function overriding
- Polymorphism in C++
- Abstract class in C++
- Friend Function
- Exception Handling

No. of Students Enrolled: 134
No. of Students Completed: 14

Attendance report of the students

Since these are pre-recorded videos, we do not maintain any attendance records. However, we collect signatures from students at the time of course enrollment which is attached above.

Evaluation

Upon completing a course, students are eligible for two types of certificates:

- Participation Certificate: Awarded without the need for any examination, this certificate is a mark of attendance and engagement.

   - Completion Certificate: This certificate is awarded after passing an online exam, which is conducted at the college. A minimum score of 40% is required to obtain this certificate.

MODEL CERTIFICATE OF THE STUDENT

Certificate for Completion of Cpp Training

Spoken Tutorial

This is to certify that **SANTOSH RAJESH** has successfully completed **Cpp** test organized at **Vikas college of Arts, Science and Commerce** by **Shaji Mathew** with course material provided by the Spoken Tutorial Project, IIT Bombay.

Passing an online exam, conducted remotely from IIT Bombay, is a pre-requisite for completing this training. **Ms.Seema Rahul** at **Vikas college of Arts, Science and Commerce** invigilated this examination. This training is offered by the **Spoken Tutorial Project, IIT Bombay, funded by National Mission on Education through ICT, MHRD, Govt., of India.**
