Vikas College Of Arts Science & Commerce

Report on Addon courses at Vikas College of Arts, Science & Commerce in Collaboration with AspireForHer NGO for 'Grow with Google' Program for the Academic Year 2022-2023

Vikas College of Arts, Science & Commerce has partnered with AspireForHer NGO, which, in collaboration with Google, launched the "Grow with Google Professional Certification Program." This initiative, in association with Nasscom Foundation, offers students the opportunity to gain industry-relevant skills through professional training designed by Google, at no cost.

The program not only helps students upskill in in-demand areas but also awards a verified Google certificate upon completion, significantly enhancing their resumes. Additionally, students who complete the program may get the opportunity to be placed in leading companies.

To assist students in navigating the enrolment process and understanding the course offerings, a short orientation session was organized on March 16, 2022. During this session, students were guided on how these certifications would make them stand out in the job market.

The "Grow with Google" program provides a choice of five specializations:

1. Data Analytics

2. IT Support

3. IT Automation

4. UX Design

5. Project Management

Students can learn at their own pace, complete the modules, quizzes, and assignments, and earn a prestigious Google certification, positioning themselves for success in the industry.

Name of the program: Job interview preparation

Date: 27/7/2022

Curriculum:

➢ **Research and Company Insights:** Learn how to research the company, its culture, products, and recent news to tailor your responses

➢ **Crafting Your Personal Narrative:** Develop a compelling personal pitch, highlighting your skills, experiences, and accomplishments relevant to the role.

➢ **Common Interview Questions:** Study typical interview questions and practice effective STAR (Situation, Task, Action, Result) responses for behavioral questions.

➢ **Mock Interviews and Feedback:** Engage in mock interviews with peers or mentors to practice responses and receive constructive feedback.

➢ **Post-Interview Strategies:** Learn best practices for follow-up communications, including thank-you notes, and how to reflect on the interview experience for future improvement.

Duration:

1.The program spanned 8 months and comprised five distinct modules, offering a well-structured timeframe for comprehensive learning.

2. Completion of the program depends on each individual student's pace, allowing them to finish the course as per their own schedule within the given time

MODEL CERTIFICATE OF THE STUDENTS

EVALUATION

For evaluation, students must secure a minimum of 50% to be eligible for certification. In case they do not achieve the required score, they are given the opportunity to retake the test, ensuring that all students have a fair chance to succeed
