## 1.3.2

### Declaration

With reference to metric 1.3.2, we hereby submit the declaration that

- Except for BVoc (MLT) and M.Voc. (MLT) which include professional training/ internship, the syllabi for all other programmes covered for this metric include project work.
- However, the term 'project work' in these programs involves secondary research apart from their regular classroom learning.
- The students submit dissertations/booklets as the accomplishment of these projects. In some cases, viva voce is conducted by the teachers apart from these dissertations/ booklets for evaluation.
- Therefore, fieldwork is not a part of these project works.
- In case of internships for the B.Voc. and M.Voc. programmes mentioned above, sample letters/ certificates of completion given by the concerned laboratories are uploaded as supportive documents.
- However, no photographs are available of their internship. So, such photographs are not uploaded.
