3) Project Report of A.Y. 2020-21

VidyaVikas Education Society's Vikas College of Arts, Science & Commerce

**Project Work Report**

Subject: Foundation Course (F.Y.B.Com)

Academic Year 2020-21

A] Programme Name: F.Y. B.Com

B] Programme Code: -----

C] Semester: II

D] Name of the course that include research learning through project:

Foundation Course – II = 100 Marks (Theory – 75 Marks + Project Work – 25 Marks)

E] Course Code: -----

F] Project Work Objectives:

1. To understand various socio-economic problems present (like , child labour, child abuse, Farmer's suicides and agrarian distress, Increasing crime/ suicides among youth, problems of drinking water, housing etc.) in the nearby areas.
2. To find out the major causes of socio-economic problems present in the surrounding areas and to propose the possible solutions.
3. To have a knowledge about the overall condition of the society and various aspects of social problems.
4. To identify various socio-economic positive and negative impacts on the society.
5. To apply the findings of the study to improve the socio-economic condition of the society.

G] Outcomes of the Project work:

1. Students have acquired a knowledge about the overall conditions of the society.
2. They have understood the major causes and solution measures of different socioeconomic problems in the society.
3. They have learnt numerous techniques and methods which can be applied for the required change in the society.

H] List of the learners and project titles:

Sr. No.	Name of the Learner	Title of the Project
1	Paithankar Anuradha Deepak	Importance of environment
2	Pal Sanjay Suraj	Importance of environment
3	Parab Nivrutti Vasant	Importance of environment

#### 4) Project Report of A.Y. 2021-22

VidyaVikas Education Society's Vikas College of Arts, Science & Commerce

#### Project Work Report

Subject: Foundation Course (F.Y.B.Com)

Academic Year 2021-22

A] Programme Name: F.Y. B.Com

B] Programme Code: -----

C] Semester: II

D] Name of the course that include research learning through project:

Foundation Course – II = 100 Marks (Theory – 75 Marks + Project Work – 25 Marks)

E] Course Code: -----

F] Project Work Objectives:

1. To understand various socio-economic problems present (like , child labour, child abuse, Farmer's suicides and agrarian distress, Increasing crime/ suicides among youth, problems of drinking water, housing etc.) in the nearby areas.
2. To find out the major causes of socio-economic problems present in the surrounding areas and to propose the possible solutions.
3. To have a knowledge about the overall condition of the society and various aspects of social problems.
4. To identify various socio-economic positive and negative impacts on the society.
5. To apply the findings of the study to improve the socio-economic condition of the society.

G] Outcomes of the Project work:

1. Students have acquired a knowledge about the overall conditions of the society.
2. They have understood the major causes and solution measures of different socioeconomic problems in the society.
3. They have learnt numerous techniques and methods which can be applied for the required change in the society.

H] List of the learners and project titles:

Sr.	Name of Learner	Title of the Project
