## Declaration

With reference to metric 2.1, 2.2, 2.4.1, 2.4.2, we submit our declaration that

1. The names of teachers included in the list are considered for this metric as full time teachers as they were appointed for at least/ more than 90% of the workload in a specific course/courses in that specific academic year.
2. Though they were mentioned in the SSR data template as CHB/ Part Time, they were appointed for full time workload. As per the SOP of NAAC accreditation, as the teacher appointed for at least 90% of the workload in an academic year is to be considered as full time teacher, they are considered as full time teachers in the corrected template.
3. The term "Guest Faculty" in the appointment letters of the teachers refers to full time teacher appointed on contractual basis. These teachers handle full time workload in the department as per the NAAC SOP.
4. The number of full time teachers mentioned in the SSR template thus remains the same.
