Report on Seminar on "Growth Mantra to become successful entrepreneur"

Being an entrepreneur requires taking on significant responsibility and comes with significant challenges and potential rewards understanding its importance for management students, Bachelors of Management Studies of Vikas College, has arranged a one day Seminar on "Growth Mantra to become Successful Entrepreneur" held in the college seminar hall on 15th March 2019.

The Resource person for the seminar was Dr. Amit Rane.

Attendee : S.Y.BMS and T.Y.BMS students (Total No of Students = 67) , All faculties of BMS Department , Vice Principal S.Mathew.

➤ **Agenda of Seminar**

- To provide knowledge about the startup business and how they become a very successful within a short period of time.
- For any successful business the basic requirement of consistency, dedication , passion and knowledge.
- How to become a successful Entrepreneur
- How to face competition from the existing successful Entrepreneurs.

Seminar started exactly at 2:30pm – 5.00pm. Welcome speech were given by Coordinator of BMS Dept, Prof Sarika Surve and session was handover to resource person Dr.Amit Rane. As per agenda of Seminar Dr.Amit Rane then spoke to the students telling them of the importance of setting up personal goals in life and how it helps make their vision for the future clearer. Sir, were enthusiastic to create awareness amongst the students about career option available to them after completing their bachelor degree. He also spoke about the career option as an entrepreneur. Further on growth mantra Dr. Rane said, it is easy to create a company and it is easy to prosper as well, but the real challenge lies in sustaining a company, which is also the underlying factor that decided whether you are successful or not. He discussed about the four pointers by Gurudev Sri Sri Ravi Shankar i.e.

- Develop your intuitive abilities
- Focus on innovation
- Create a sense of belongingness among co-workers
- Believe in yourself

Overall the programme helped the students to have a better understanding of the opportunities that could be offered by Apprenticeship, Entrepreneurship and Higher education. Various questions were asked by students which were very effectively answered by resource person. The entire session was very interactive.

➤ **Out-Comes of Seminar**

Seminar helps students understand the entrepreneurship career options that they have, and how to pursue it. The Seminar helps students to develop entrepreneurial abilities by providing background information about support systems, skill sets , financial and risk management. So that future budding

Report on Seminar on “Making of Successful Research Project – Tips & Trops”

A Research project is a most essential part of the Academic Curriculum. Writing the research project can be a challenging task for students. For a research project to be systematic and scientific in approach and also to collect, analyze, and interpret data for the purpose of answering research questions or testing hypotheses. There exist a several ways of research methodology that students can or may use,

depending on the nature of the research question, the available resources, and the goals of the study. Choosing the appropriate research methodology approach is an essential step in conducting research that is valid, reliable, and meaningful.

Therefore in student interest to make best use of the few existing opportunities of training this skill the Vikas College BMS Department arrange Seminar on “**Making of Successful Research Project – Tips and Trops**” for third year bachelor degree students of management and accounting and finance..

Seminar were conducted on **11th of Feburary ,2020. Timing : 3. to 5 PM** at College Seminar Hall. The seminar was inaugurated at the hands of Dr.R.K.Patra the Principal , Vidya Vikas Education society , Vikas College of Arts, Sci & Commerce Vikhroli.

Agenda of Seminar (Topic Covered by Resource Person)

- ❖ How to choose a question or problem area to research?
- ❖ How to form a hypothesis?
- ❖ Selecting a method, plan and ways to collect the data;
- ❖ Analysing the data collected;
- ❖ Summarising the observations and drawing a conclusion;
- ❖ Finally how to prepare a project report and communicate the results.

The Knowledge Resource Centre (Library) of the college, in association with the Research Development Centre, organized a National Level Webinar on “**How to Improve Your Academic Reputation by Avoiding Plagiarism**” on the 5th June, 2020.

Prin. Dr. R.K. Patra, introduced the theme of the webinar. Librarian Mr. Uday Kulkarni introduce the Resource person of the webinar.

Dr. Manju Naika, Chief Library Officer, IIT Mumbai enlightened the participating faculty members and research scholars on various aspects contributing to the enrichment of one's research.

He educated the delegates as to how to calculate the impact factor of a research journal. Introducing various types of plagiarism, he cautioned against the consequences of the same. He introduced plagiarism detections and plagiarism.net available online. The delegates were also enlightened regarding the importance if citation with a detailed guidance in citation styles MLA quotations, citation management tools etc.

He then guided regarding the ways in which plagiarism can be avoided by structuring the manuscript using IMRad format.

The delegates were also advised on how to select a journal for publishing one's research work using resources like journal suggester and how to avoid predatory publications.

Dr. Naika further explained the common reasons for manuscript rejection. Different language editing services available online were also informed.

The delegates were educated regarding the online digital repository, ORCID, Altmetrics, h- index as well as acceptable file formats for research.

248 researchers, academicians, from India and abroad as well as eminent faculty members in various fields attended the webinar. The webinar conducted on Microsoft Teams.

A Report on online workshops on

INTELLECTUAL PROPERTY RIGHTS AND DESIGN FILING

Creativity is an important human resource and is a necessary boost for human life. The creator of intellectual property has the right to protect it from any kind of theft. As everyone in a higher education belongs to the knowledge society, all need to know different dimensions of intellectual property and the way in which it can be protected.

The Internal Quality Assurance Cell of Vikas College of Arts, Science & Commerce, Vikhroli had organized an online workshop on 'Intellectual Property Rights and Design Filing' in association with Rajiv Gandhi National Institute of Intellectual Property Management, Govt. of India, Nagpur on Wednesday, 30th November, 2022 at 2.30p.m. for faculty and the students.

Dr. Shubhada Deshpande, co-ordinator, IQAC, welcomed and introduced the resource person and introduced the theme and importance of the activity.

Dr. Bharat Suryawanshi, faculty from RGNIIPM was the resource person and presented the theme of the session in a very effective and illustrative manner. He introduced the concept of IPR and explained how it is an important part of the life of those in the knowledge society. He elaborated the technical concepts relating to IPR with plenty of examples from real life which helped the participants in grasping the concepts easily. Dr. Suryawanshi described and illustrated how IPR is applicable in the field of higher education, research and in life in general where one can not only protect his / her own right towards the intellectual property but thus is also motivated to work on generation and implementation of new ideas for the betterment of society and humankind.

He further informed the participants regarding the career opportunities in IPR related office of Govt. of India. He resolved the doubts of participants relating to choosing this career. He also explained how a process can be patented.

The Principal Dr. R.K. Patra complimented the resource person for making the topic very interesting for all the participants and mentioned how important and necessary the concept of IPR is in the field of higher education and research. Prof. Mrs. Wins extended vote of thanks.

Total 213 faculties and students attended the webinar.

**A Report on One Day Seminar on Recent Trends in Research in Higher Education
2022-2023**

The Internal Quality Assurance Cell in association with Research Development Committee of Vikas College of Arts, Science and Commerce, had organized a One day Seminar on “**Recent Trends in Research in Higher Education**” for faculty members and research students on Wednesday, March 29th, 2023. Total 66 participants including the faculties from various disciplines and PG research students attended the seminar.

The seminar was inaugurated at the hands of the Chief Guest, Dr. Vinay P. Raut, Secretary, Vidya Vikas Education Society, Vikhroli. He requested all the participants to contribute to the efforts towards successful implementation of NEP as well as made an appeal to all the faculties to participate actively in the research related activities and keep updating themselves on the qualitative parameters. Principal Dr. R.K. Patra introduced the concept behind the series of seminars to be conducted.

Dr. Sunil Karve, Chief Editor, Abhinav Group of Research Journals conducted the first technical session, **Dimensions of Research in Higher Education**, covered all the minute aspects of research explaining every concept in detail with illustrations.

Dr. Kuldeep Sharma, Secretary, Indian Commerce Association, conducted the second technical session, **Tool for Effective Research** wherein he explained the concept of variables in data in detail. He guided the participants on how to select an appropriate statistical method for analyzing research sample or case study.

The valedictory session was chaired by the Chief Guest Prof. Vikas Raut who encouraged the Research Development Committee to conduct more such research-oriented activities in the next academic year. Certificates of participation were distributed during the valedictory session at the hands of the chief guest and the resource person Dr. Kuldeep Sharma.

The seminar was helpful to all the participants as all the minute facets of research were dealt with by both the resource persons in detail with adequate simple examples from day-to-day life which made it easier for them to understand the concepts.

ABOUT THE SEMINAR

Research and research aptitude play an important role in higher education. The present times being complex with amplitude of data, digitization, multiplicity of resources pose challenges to the creative and intellectual minds thus paving way for generation of research ideas in different disciplines.

In order to motivate and guide the faculty as well as students on their way to the realm of research, the IQAC in association with the Research Development Committee of the College, has organized this one day Seminar on "Recent Trends in Research in Higher Education" on Wednesday, 29th March, 2023.

OBJECTIVES OF THE SEMINAR

- To introduce students to the most Conceptual approaches of research
- To guide the faculty and the students in using rationally the research methods approximately while preparing their research papers and dissertations
- To promote a progressive culture for the knowledge society and generation of new research ideas
- To promote free, creative and inductive thinking

Report on National Seminar on Intellectual Property Rights

The IQAC of the college, in association with Indian Patent Office, Mumbai, Ministry of Commerce & Industry, Government of India, had organized a National Seminar on Intellectual Property Rights on Saturday, 15th April, 2023. The faculties and PG students of the college as well as faculties from cluster colleges attended the seminar.

The seminar was inaugurated at the hands of Dr. Vinay P. Raut, the Secretary, Vidya Vikas Education Society, Vikhroli. He appreciated the IQAC for conducting a seminar on such an important topic. He appealed to all the faculties present to update themselves so as to prove the excellence in the competitive environment post announcement and implementation of NEP.

. Amol Patil, Examiner of Patents and Designs, Indian Patent Office, Mumbai, DPIIT, Ministry of Commerce & Industry, Government of India, in the technical session, introduced the participants to the concept of Intellectual Property Right and explained the 7 types of intellectual property. With different examples and case studies, he informed all on the importance of registering one's intellectual property in the form of patent, design or copyright. He informed the participants that the patent office of Government of India plays an important role in protecting one's intellectual property and a person, however, needs to apply online for the same.

Dr. Hema Mehta, Associate Professor, Tolani College of Commerce, Andheri, in her technical session, introduced the concepts of invention and discovery thus leading to define what exactly can be called as one's intellectual property. She then explained the concepts of copyrights and trademarks with ample examples from real life. She illustrated the importance of protecting one's research work or any such creative work by registering it for copyright. She described how one can protect the intellectual property by registering it for trademark for which she gave several examples from the industry.

The seminar was concluded with the valedictory session wherein Prof. Vikas Raut, Secretary, Swami Shamanand Education Society was present as the chief guest and CA Dr. Santosh Ojha, Principal of Asmita College, Vikhroli, was present as the guest of honor. The chief guest congratulated all the participants for their active participation and encouraged them to participate in similar such scholastic endeavors in the near future. Certificates were distributed to all the participants at the hands of the chief guest and the guest of honor. Dr. Mrs. S. K. Deshpande extended a vote of thanks.

A Report on the Seminar on Outcome Based Education and NEP-2020

As the college will be a part of the broad spectrum of the National Education Policy-2020 to be implemented and adapted by all the stakeholders in the field of education, the IQAC of the college organized a seminar on **Outcome Based Education and NEP-2020** on 28th April, 2023 with an objective of introducing the faculty members in the colleges of cluster II of University of Mumbai, to the different facets of the policy to be implemented.

The seminar was inaugurated at the hands of the chief guest, Dr. Vinay P.Raut, Secretary, Vidya Vikas Education Society, the parent institution of the college. Dr. S. A. Aajgaonkar, the Principal of Sandesh College of Arts, Commerce & Science, Vikhroli was the guest of honour on this occasion. The chief guest, in his address, appealed to all the participants how it is the need of the hour for everyone to adapt to the qualitative changes expected in the field of education as the faculties would be the front runners who would display the real image of an educational institution.

The guest of honour thanked the IQAC and the Principal for providing an opportunity to the faculty members from the cluster II colleges to know about the different aspects of NEP-2020 by organizing the seminar.

Dr. Arvind Dhond, Head, Dept of Commerce, St. Xavier's College, Mumbai conducted the first technical session '**NEP-2020: Concepts and Issues**' wherein he explained the minute details of implementation of the policy at the level of higher education. Referring to various circulars from Govt of Maharashtra, he described how the policy would be implemented by the Government in different universities. Aspects like multidisciplinary approach, multiple entries and exits during a degree programme, the liberal approach to be adopted and so on were described in detail. He also emphasized how an active

Participation on the part of the faculty members can bring them towards excellent opportunities in the field of online course content creation. He explained the concept of academic bank of credits and the credit-based model of the programmes to be introduced in the higher educational institutions.

The second technical session, **Indian Knowledge System**, was conducted by Prof. Hemant Samant, Associate Professor, University of Mumbai Law Academy who introduced the participants to different concepts that are a part of Indian Knowledge System, a rich and ancient body of knowledge that has its roots in the Vedas, which are considered to be among the oldest sacred texts in the world. It encompasses various disciplines such as philosophy, spirituality, yoga, astrology, Ayurveda, mathematics, astronomy, literature, music, and art. With the help of several illustrations, he explained how the system is a vast and intricate body of knowledge that has played a significant role in shaping the culture and civilization of India, as well as contributing to the global intellectual and spiritual heritage.

The valedictory session concluded the seminar with Dr. R.K. Patra, the Principal of the college making a concluding remark that the National Education Policy 2020 (NEP 2020) is a challenging area for all those in the field of higher education thus aiming to bring transformational changes to the Indian education system. He expressed a hope that the future will be a witness to the fact that the policy will result into equipping Indian students with the knowledge, skills, and abilities needed to succeed in the 21st century. Dr. Shubhada Deshpande, Coordinator, IQAC, extended a vote of thanks. Vice Principals, Prof. S. Mathew and Prof. V. V. Mulay were present on this occasion. Total 50 faculties from Vikas College, Asmita College, Sandesh College and Indira Gandhi College from Vikhroli participated in the seminar.

- c) It includes lateral and flexible thinking, logical reasoning Generating solutions beyond the most obvious.

Seminar started exactly at 4 PM. Welcome speech were given by Coordinator of BMS Dept, Prof Sarika Surve and session was handover to resource person Prof. Shymkant Surve .Sir explain students about importance of abstract thinking **think about why and not just how, reframe your thinking, Consider the big picture some of highlight of lecture. Sir has share google form on student whsup group in which around 20 sums were there the students solve those problem sums and they really enjoy the session as this were something new experience to them.** Abstract thinking problem sums allows students to think about complex relationships, recognize patterns, solve problems, and utilize creativity.

➤ **Out-Comes of Seminar**

Third year management students gain knowledge on:

This lesson plan provides you with discussion topics and questions, a quiz, and an activity that will help your students better understand the concept of abstract thinking and how it delineates from concrete thinking.

- briefly define abstract and concrete reasoning
- give examples of abstract and concrete reasoning
- understand the various abstract reasoning skills

The interactive session end at 6 PM with vote of thanks by Prof Surve coordinator of BMS Dept.
