Annual Sports Meet - 2019-20

Physical Education is an integral part of the total education system. It not only helps in the attainment of the ultimate aim of education but also develops student's competence and confidence. Sports play a vital role in their life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on games and sports also.

Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. The overall development of the students, Department of Physical Education and Sports of University of Mumbai organizing inter-college and inter- University tournaments in various indoor and outdoor sports events.
