MEMORANDUM OF UNDERSTANDING BETWEEN

Amity Institute of Biotechnology, Amity University, Mumbai, India  
AND

Department of Biotechnology, Vidya Vikas Education Society's Vikas College of Arts,  
Science & Commerce, Mumbai, India (Affiliated to University of Mumbai )

FOR STUDENT EXCHANGE & COLLOBORATIVE RESEARCH

In accordance with the mutual desire to promote cooperation between Amity Institute of Biotechnology, Amity University, Mumbai, and Department of Biotechnology, Vidya Vikas Education Society's Vikas College of Arts, Science & Commerce, Mumbai both the organizations hereby enter into Memorandum of Understanding (MOU) for the purpose of Student Exchange, Research Collaboration and related activities as follows.

Both the Institutions have found it mutually beneficial to explore cooperative activities for the following purposes:

1. Student and teachers exchange for collaborative research.
2. Training to University / College Teachers & Researchers in respective identified strong areas.
3. Submission of collaborative research proposals to various international (if permissible)/national funding agencies.
4. Sharing the research facilities of each other by the researchers from both the Institutions.
5. Equal sharing of research outcomes in the form of publications / patents / products and other related outcomes.
6. This MoU shall take effect when signed by both parties, and will remain in effect for a period of five years. Thereafter, it has to be renewed for another period, if agreed by both institutions.

It is understood that the details of joint activities, financial consideration, conditions for utilization of results achieved, arrangements for specific visits, exchange and other forms of cooperation will be on mutually agreeable terms for each specific cases and will be worked and finalized before the joint activities commences. Director, Amity Institute of Biotechnology, Prof. (Dr) Nitin S. Desai from Amity University, Mumbai and Prof. Sumangal K. Dhar, Faculty, Department of Biotechnology, from Vidya Vikas Education Society's Vikas College of Arts, Science & Commerce, Mumbai will work as representatives from the respective institutes.

Vikas College  
Head, Dept. of Biotechnology

Dr. R. K. Patil  
Principal

Dr. Vinay P. Bapat  
Secretary V.V.E.S.

The outbreak of Corona Virus Disease (COVID-19) declared as a Public Health Emergency of International Concern (PHEIC) in the initial months of 2020 by the World Health organization. The protection of people especially students is of utmost importance. The precautions were necessary to prevent the potential spread of COVID-19. Having information and facts about COVID-19 will help to diminish students' and others' fears and anxieties around the disease. Hence considering this department organized one Intracollegiate Level Webinar on "Spread and Advanced Diagnostics of COVID-19". The Resource Person was Dr. Tareeka Sonawane, Faculty, Amity Institute of Biotechnology, Amity University, Mumbai. The Resource Person provided key information about how it spreads and various advanced Detection techniques available through her very informative presentation. This Webinar was organized on Sunday 10<sup>th</sup> May 2020. Around 65 Students from various streams and teaching and non-teaching staff of our college attended the webinar.
