Detailed Report of "EXCELR"

Title: Report of 30 Hrs Add-on courses conducted in association with "EXCELR" based on the MOU

Date: 30th May 2022 to 30th May 2023

Introduction:

The Department of Information Technology & Computer Science at Vikas College of Arts, Science & Commerce successfully organized a series of 30-hour add-on online certification courses in collaboration with EXCELR. These courses were designed to provide students with additional knowledge and practical skills in various IT and data-related domains. The collaboration was facilitated through a Memorandum of Understanding (MOU) between the two entities.

- ExcelR's Every Day Learning (EDL) program is a 30-hour live virtual training program.
- The program is designed to provide participants with valuable knowledge and skills.
- The training program is offered free of cost due to the signed Memorandum of Understanding (MOU).
- The sessions are conducted on weekdays, providing flexibility for participants.
- The timing of the sessions is from 7.00 PM to 9.00 PM, allowing students to attend after their regular commitments.
- All courses have a minimum duration of 15 days.
- Participants will have the opportunity to engage in hands-on exercises and practical examples during the training program.
- This interactive approach helps reinforce learning and allows participants to apply the concepts practically.
- Upon successful completion of the training program, participants will receive a participation certificate from ExcelR.

Day Learning (EDL) program has been highly successful. The program has provided students with valuable knowledge and practical skills in various IT and data-related domains. Here are the key points to summarize the report:

- The EDL program offered by ExcelR was a 30-hour add-on course series conducted in collaboration with Vikas College of Arts, Science & Commerce.
- The program aimed to equip students with additional knowledge and practical skills in IT and data-related domains.
- The courses covered a wide range of topics, including cloud fundamentals, R programming, Tableau, automation testing, DevOps, digital marketing, Python programming, SQL advanced Excel, PowerPoint, Word, full-stack development, and data analytics using Power BI and Tableau.
- Participants had the opportunity to engage in hands-on exercises and practical examples to reinforce their learning.
- The program was conducted virtually, with sessions held on weekdays from 7.00 PM to 9.00 PM, providing flexibility for participants.
- Upon successful completion of the training program, participants received a participation certificate from ExcelR, acknowledging their dedication and achievement.
- The program provided numerous benefits for students, including acquiring practical skills, enhancing employability, and expanding their career prospects in the IT industry.
- Participants gained a strong foundation in industry-relevant tools and technologies, and the hands-on experience and real-world case studies enriched their learning journey.
- The collaboration between Vikas College of Arts, Science & Commerce and ExcelR through the EDL program demonstrated a commitment to providing quality education and empowering students with the necessary skills to succeed in the IT industry.

Overall, the EDL program has been a valuable initiative that has provided students with additional learning opportunities and practical skills, aligning them with industry requirements and enhancing their career prospects. The collaboration between the educational institution and ExcelR has proven to be beneficial for all participants involved.
