

It gives me immense pride and pleasure to welcome you to **Vikas College of Arts, Science and Commerce**, an institution that has grown from humble beginnings into a vibrant and inclusive centre of higher learning.

Founded in Ghatkopar as a night college to serve the educational aspirations of second-generation learners from underprivileged communities, Vikas College was the result of the vision and commitment of great social reformers like **Dr. Datta Samant, Dr. W.S. Matkar, Shri P.M. Raut, and Mrs. Vidya P. Raut**. Their dedication to social justice and access to education laid the foundation for a college that continues to uphold their values even today.

From a single room to a multi-faculty institution affiliated to **University of Mumbai**, our college now offers a wide range of **undergraduate and postgraduate programmes** across **Arts, Science, and Commerce**, along with **self-financed, professional, and vocational programmes** designed to meet the demands of a dynamic world.

We believe in holistic development. Our **state-of-the-art infrastructure, ICT-enabled teaching methods, free online add-on courses**, and strong focus on **extra-curricular and co-curricular activities** provide our students with every opportunity to grow academically, personally, and professionally. Our active **placement cell** supports students in bridging the gap between education and employment.

At Vikas College, we do more than just teach – we inspire, we empower, and we nurture. I invite you to be a part of our academic family and experience the transformative power of education.

Warm regards,

Dr. Shubhada K. Deshpande
